<https://brocku.ca/graduate-studies/future-students/international/>

Institutional Information

Institution Name: Brock University

Country: Canada

Location: Niagara Region. 1812 Sir Isaac Brock Way St. Catharines, ON L2S 3A1 Canada

Website: <https://brocku.ca/>

Description: Brock University is a public research university in St. Catharines, Ontario, Canada. It is the only university in Canada in a UNESCO Biosphere Reserve, at the centre of Canada's Niagara Peninsula on the Niagara Escarpment.

Brock offers a wide range of programs at the undergraduate and graduate levels, including professional degrees. It was ranked third among Canadian universities in the undergraduate category for research publication output and impact indicators. It is the only school in Canada and internationally to offer the MICA (Mathematics Integrated with Computing and Applications) program.

Brock's co-op program is Canada's fifth-largest, and the third largest in Ontario as of 2011. Graduates enjoy one of the highest employment rates of all Ontario universities at 97.2 percent.

For more information about Brock University please see the university's webpage: <https://brocku.ca/>

Langara College

Participation in the student exchange program

Current Status with CONAHEC		Deadline for Applications
Hosting International Students	Yes 1	Fall: 1-May Spring: 31-Oct
Sending Students Abroad	Yes 8 students or up to the number of international students hosted.	Varies at each host institution

Who can participate?

Academic programs available for exchange students: General first and second year undergraduate Arts and Science courses, Business Administration (Several Fields), Computer Information Systems, Computer Science, Fine Arts, and many others. **Restrictions:** Certificate and diploma programs and some academic programs, such as nursing, do not accept exchange students. Many other courses have acceptance criteria, pre-requisites or may require on-site diagnostic tests that may preclude exchange students from admission. Students and advisors should check on-line course details to determine if they will meet admission requirements. Specific questions about program availability or admission requirements can be directed to the exchange coordinator at Langara. **Students' requirements:** TOEFL (paper-based) 550 or higher and an essay score of 4.0 or higher, OR TOEFL (Internet-based) 80 or higher and a minimum of 18 in Listening, 20 in Reading, 18 in Speaking, and 20 in Writing, OR IELTS 6.5. Institution-based TOEFL results are not accepted for admission. Note: Particular courses may have higher admission standards. Exchange students will only be permitted to take three courses at Langara. **NOTE: Exchange students are not permitted to take third and fourth year courses.**

Information for international students

- **Academics**

Most of the courses are general first and second year arts and science courses that prepare students to enter the third year of university. **Main language of Instruction:** English. **Are there any regular classes available in a different language?** No.

- **Living**

Approximate monthly living costs: Housing: \$850 (homestay). Meals: \$400. Local transportation: \$200. Others: Entertainment \$80. Textbooks \$300.

Additional fees: Exchange students who would like to acquire a UPass for the transit system would need to pay the Student Union and Building Legacy Fees of approximately \$120 and approximately \$164 for the UPass. This would allow the student to obtain a monthly bus pass that can be used in all transit zones (normally \$170/month). Health insurance is required (www.ihaveaplan.ca). For more information, please check the specific website for international students: <http://langara.ca/international-education/index.html>

Institutional Information

Institution Name: Langara College
Country: Canada

Location: 100 West 49th Avenue,
Vancouver, BC, Canada V5Y 2Z6

Website: <http://www.langara.ca>

Description: Langara College is a public degree-granting college in Vancouver, British Columbia, Canada, which serves approximately 21,000 students annually through its university, career, and continuing studies programs. In 1970, Vancouver City College opened its West 49th Avenue campus. On April 1, 1994, Langara College was established as an independent public college under the Provincial College and Institute Act. The college takes its name from the neighbourhood in which it is situated, which was named after Spanish Admiral Juan de Lángara.

For more information about Langara College please see the university's webpage: <http://www.langara.ca>

Institutional Information

Institution Name: University of Regina

Country: Canada

Location: The main campus is located in the city of Regina in the province of Saskatchewan.

Website: <http://www.uregina.ca>

Description: The University of Regina has roots in Regina College, a small residential high school established by the Methodist church in 1911. The College grew in size and significance becoming a campus of the University of Saskatchewan and, ultimately, an independent degree granting university – the University of Regina – in 1974. Currently, it is one of Canada's top 10 comprehensive universities.

Support is our strength: From the moment we meet you and your family, until the moment you find employment after graduation, we provide personalized services to encourage and assist in your academic and career needs.

State of the art facilities: Come and discover our new campus. It is modern, clean and convenient.

The U of R is a global community: We are large enough to host students from over 90 countries, yet small enough to give you a more personalized and focused academic experience. You can get to know your professors and faculty members. The student to faculty ratio is 20:1. We Also have many associations that you can get involved with. Check it out!

Institutional Information

Institution Name: Benemérita Universidad Autónoma de Puebla

Country: Mexico

Location: 4 Sur 104.Colonia Centro. C.P. 72000 Puebla, Puebla

Website: <http://www.buap.mx>

Description: The Benemérita Universidad Autónoma de Puebla (BUAP) (Meritorious Autonomous University of Puebla) is the oldest and largest university in Puebla, Mexico. Founded on 15 April 1587 as Colegio del Espíritu Santo, the school was sponsored by Society of Jesus during most of the Spanish colonial era before turning into a public college in 1825 and eventually into a public university in 1937. The religious origins can be seen in many of BUAP's buildings in Puebla city centre, which were once colonial-era churches.

The flagship campus is located in the city of Puebla, although more than nine facilities are distributed across the state. Currently, it is one of the 105 institutes participating in the Alice Experiment at CERN.

For more information about The Benemérita Universidad Autónoma de Puebla (BUAP) (Meritorious Autonomous University of Puebla) please see the university's webpage: <http://www.buap.mx>

Institutional Information

Institution Name: ITESO, the Jesuit University of Guadalajara

Country: Mexico

Location: Guadalajara, Jalisco, México.

Guadalajara is the second largest city in Mexico and boasts an impressive variety of cultural events throughout the year, including the International Book Fair, International Film Festival, International Mariachi Festival and many others.

Website: <http://iteso.mx>

Description: ITESO, the Jesuit University of Guadalajara, was founded in 1957 and is part of the Jesuit education system. ITESO's educational mission is to educate free, intelligent, and sensitive individuals who are committed to their society and determined to meet the needs of their communities. Among the outstanding programs, one of the most innovative is the Professional Application Project (PAP). These projects are intimately linked with the society. PAP are designed to improve the quality of life of others and to reinforce the social commitment students have with their given profession. The students work on real-world problems, related to their majors, in our community, in interdisciplinary teams with professor supervision. International students with a B2 level of Spanish are welcome to participate in these courses.

Universidad Anáhuac Xalapa

Country: Mexico

Location: Xalapa, Veracruz, Mexico

Website: <http://www.uax.edu.mx/ev6/>

Description: Anáhuac University Xalapa is a higher education institution in the capital city of the state of Veracruz, Mexico. This university is part of the Anahuac Network of Universities with campi in 9 different cities in Mexico; as well as in Spain, Italy, Chile, and the United States of America. It was founded by the Legionaries of Christ and its mission is to facilitate the development of men and women that stand out for their honesty, their professional and cultural training, with an international professional profile so they become leaders of positive action worldwide. It is an institution that is proud to be a national and international educational leader due to its contributions to economic and human development.

We are proud to be a community of advance learning aware of the challenges around us and committed to providing solutions by means of our research programs such as la Antigua watershed project: an environmental policy based on the management of watersheds in the state of Veracruz. This project was backed up by the Gund Institute for Ecological Economics, USAID, The University of Vermont, The University of Southern California and researchers, professors and participants from the public and private sectors in Veracruz.

Our motto: Vince in Bono Malum means "Overcome evil with good." It is more than our philosophy and institutional mission; it is the way Anahuac University Xalapa experiences its key role in our society.

Location: Bogota, Colombia

Website: <http://english.lasalle.edu.co/>

Description: De La Salle Universities were established through the legacy of St. John Baptist de La Salle and the Christian Brothers Teaching Order, which was founded 325 years ago. The La Salle Universities are characterized as educational communities inspired by traditional Catholic and Lasallian values with the following horizons of sense: respect for the individual; a conviction that knowledge and spiritual growth work collectively; a passion for innovative teaching and learning; and the belief that education must impact people's development, professional improvement, and their service to others. Currently, the Lasallian community is present in 86 countries worldwide.

Institutional Information

Institution Name: University of Potsdam

Country: Germany

Location: Am Neuen Palais 10, House 9
14469 Potsdam

Website: <https://www.uni-potsdam.de/en/university-of-potsdam.html>

Description: Young, modern, future-oriented: at the age of just 27, the University of Potsdam has developed an outstanding position in the university and science landscape of Berlin-Brandenburg. It offers a special variety of study opportunities and a distinctive interdisciplinary research profile.

Teaching at the University of Potsdam is always involved in current research and is driven by the latest scientific findings in and outside the university. In doing so, students benefit from the large number of non-university research institutions in the city, which enrich the course of studies, foster the dialogue between theory and practice, and open employment opportunities after graduation.

The University of Potsdam is an international community with many faces and stories. Its international atmosphere is created by its students from all parts of the world who have enrolled at Potsdam for a semester abroad or a complete Master's or Bachelor's program but also by its professors and lecturers, language teachers and many other employees.

<http://www.abo.fi/student/en/exchange>

Institutional Information

Institution Name: Abo Akademi University

Country: Finland

Location: Turku, Finland (Population 190,000)

Website: <http://www.abo.fi>

Description: Åbo (Turku in Finnish) is a bilingual city of approximately 190,000 inhabitants situated on the southwest coast of Finland, right at the mouth of the Aura river which cuts through the city. It is the oldest university town in Finland and was the capital of Finland until 1812. In addition to Åbo Akademi University, there are many other higher education institutions such as the University of Turku and Turku University of Applied Sciences, making it a lively student town. The city offers a wide variety of cultural experiences, such as museums and music, dance and theatre events, as well as sports activities. Åbo offers great opportunities to explore the rest of Finland, including the archipelago, the capital Helsinki (located 160 kilometers east of Åbo), Lapland (excursions are organized by international student groups) or St. Petersburg (five and a half hours by train).

For more information on Åbo Akademi University please visit the university's webpage: <http://www.abo.fi>

Institutional Information

Institution Name: MingDao University

Country: Taiwan

Location: Changhua, Taiwan

Website: <http://eng.mdu.edu.tw/>

Description: We aim to cultivate a pure mind, a broad heart filled with the desire to purify the world and its people, and a professional confidence. Students at MDU inhabit an environment like a manor, a graceful academy.

They are not only professional scholars but also people who care about ethnic vitality; they are not only flexible and tactical entrepreneurs but also people who have a taste for art and cultural history. Facing the ever-changing future challenges, students adopt learning methods and abilities that will allow them to refashion themselves as fully competent problem solvers. In terms of life, we hope to cultivate people who are well-versed in humanism, art, and applied technology. As for aspirations, we hope our students can be taught to use good judgment and wisdom in their thinking.

For more information on Ming Dao please visit the university's webpage: <http://eng.mdu.edu.tw/>

Institutional Information

Northumbria University
NEWCASTLE

Institution Name: Northumbria University

Country: England, United Kingdom

Location: Two campus in Newcastle

Website:

<https://www.northumbria.ac.uk/>

Description: A leading research-engaged, business-focused university that provides an outstanding student experience. Northumbria University is based in the centre of Newcastle-upon-Tyne. It is spread over two campuses, City Campus and Coach Lane, both of which have recently undergone a £135m development and renovation.

City Campus West and the newly developed City Campus East are located in the heart of Newcastle upon Tyne, two minutes' walk from shops, bars, and clubs. Coach Lane is situated three miles outside the centre and can be accessed via the free university bus service.

Each site has its own accommodation and facilities.
